# CHIEF'S MESSAGE

The Lacey Police Department is experiencing one of the lowest crime rates in over 10 years. Crime rates are how we are compared to other jurisdictions and we are very proud of how the numbers reflect the City of Lacey. Although many things influence increases and decreases in crime, the Lacey Police Department works diligently to respond quickly and make solid prosecutable arrests that will impact future crime. We also have prevention strategies in place that help reduce problems and calls for service. One example of this is that we have many partnerships in the community and a strong connection with the North Thurston

Public Schools with a School Resource Officer assigned to each of the three major high schools. Regardless of statistics, I want people to feel safe when they are at home, work, school or out in the community; the feedback I have received indicates the community feels safe.

Rest assured the men and women of the Lacey Police Department are working hard every day to ensure this continues. Our Officers work around the clock to respond to and solve criminal activity using technology and intelligence.

A new records management system has been implemented for the major cities in Thurston County and we are hopeful it will enable us to manage our data more efficiently and use intelligence to investigate, solve and possibly predict future crimes. This was a major accomplishment and the successful implementation of this program has also put us into compliance with national reporting standards for crime statistics.

I hope you take time to read the material in this document and visit our website at <http://www.ci.lacey.wa.us/police> which has a variety of important information and answers frequently asked questions. We are now on Twitter and feed information on safety tips, wanted or missing persons, and traffic alerts.

The Lacey Police Department is proud to serve its citizens and encourages feedback on how we are doing. We hope everyone feels safe in our community and comfortable in contacting us as we look forward to serving you in 2014.

# EMPLOYEE OF THE YEAR

## Officer Bev Reinhold

Officer Bev Reinhold has been with the Lacey Police Department since 1991. Prior to her becoming a police officer, Officer Reinhold was a DAII with the Lacey Police Department and also worked for the Washington State Patrol Identification section. Officer Reinhold has spent most of her police career in the detective division where she investigated crimes against children, homicides, and multitudes of other crimes.

In 2013, Officer Reinhold returned to the patrol division after her tenure in detectives ended. Officer Reinhold took on this new assignment and has excelled on patrol. Officer Reinhold works her normal shift, and on the weekends she does pre-employment polygraphs and criminal polygraphs for the Lacey Police Department and other agencies.

Officer Reinhold is dedicated to the people she works with. She mentors new detectives on the intricacies of child interviewing and other investigative tactics. She explains that investigating child sex crimes is more about the child and dealing with the families. Officer Reinhold will often read the interview and provide the detective with sound advice on how to interview a child and what questions should be asked. Officer Reinhold didn't leave all her skills at the door when she left. She truly cares that the person who took her position is able to do the job well.

In May, one of our dear friends became ill and was unable to work. Officer Reinhold acquired funds donated by the LPOG and LPMA and provided two months of meals to our friend and her husband so they would have one less thing to worry about.

In August, the Lacey Police Department suffered a huge loss with Officer Brooks' passing. Officer Reinhold became the family liaison and spent hours talking with Officer Brooks' family about

# EMPLOYEE OF THE YEAR

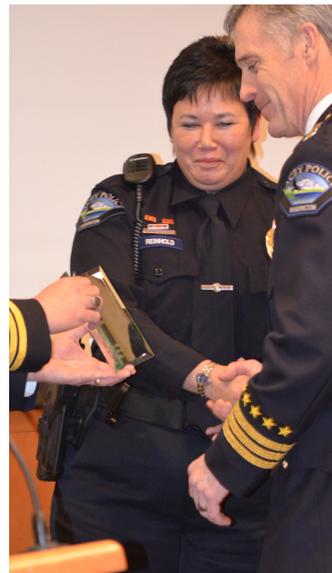

their wishes for his service. Officer Reinhold had a huge role in planning and carrying out Officer Brooks' service down to the smallest detail.

In October, Officer Reinhold went to an unknown trouble call. She and Officer Broeker went into the residence and found an elderly male down on the floor. She immediately began CPR on the patient until the medics arrived seven minutes later. Officer Reinhold stayed on scene to console the wife who arrived home to find her husband had passed. Officer Reinhold called for the chaplain and made arrangements for the son to get a ride to the residence. Officer Reinhold showed a great amount of caring and compassion for a complete stranger, which exemplifies the way she treats everyone.

Officer Reinhold helped plan the first department wide Christmas party in years. For several weeks her days off consisted of planning, researching, shopping and setting up the party. The party was a success and it was great to see everyone there.

Officer Reinhold is truly the employee of the year. Through her commitment to the job and her fellow employees, and her compassion for others she sets the bar on what it means to be a Lacey Police Officer and a leader in this community.

Congratulations Officer Reinhold on being named Employee of the Year for 2013!

# EXCEPTIONAL SERVICE

## Officer Al Stanford

Officer Stanford returned back to the patrol Division in January 2013 after having spent four extremely productive years as a Traffic Officer. Since his return, his productivity in each category of his job assignment has been consistently above the average. Officer Stanford promotes cooperation within his squad and is considered an officer who can be depended upon in any situation. He is always approachable and has an easy going demeanor. Although Officer Stanford makes traffic enforcement a high priority during his shift, he has received many letters of thanks from citizens who appreciate the respectful manner in which they were treated.

Officer Stanford is the only officer who achieved more than 20% above average for the entire year of 2013 in every statistical category on the Officer Productivity Sheet: Arrests, Tickets, Field Interviews, Radio Calls, and Reports.

Officer Stanford's exemplary performance during 2013 far exceeded that which he was directed to accomplish. Officer Stanford is a highly trained and diverse individual who exemplifies the high caliber of police officers employed by The Lacey Police Department. His exceptional work ethic and performance is a valuable asset to the Lacey Police Department, and one which is sincerely appreciated.

## **Community Service Officers**

Community Service Officers are unarmed, non-commissioned civilian personnel. Each of the three Community Service Officers work on a part-time shift based schedule. The position allows them to gain knowledge of a law enforcement career and opens a greater range of opportunity should they desire to become a commissioned police officer. They augment the patrol division and support services division.

They have many duties which include: transporting prisoners, assisting with traffic control at accidents and crime scenes, tag/tow improperly parked or abandoned vehicles, complete found property reports, log evidence, deliver and serve warrants at Thurston County District Court, and complete Lacey accident forms for accidents with no crimes/injuries. Each Community Service Officer, and the assistance they provide to the citizens of Lacey and the police department, is essential in achieving our mission.

## **Crime Prevention**

The 2013 Crime Prevention Unit, which includes the Lacey Senior Patrol, was led by Crime Prevention Officer Sean Bell. It is the goal of the Crime Prevention Unit to provide education and training to the citizens, businesses, and employees of Lacey in an effort to involve them in crime reduction.

The Crime Prevention Unit coordinates the Crime Free Multi-Housing program, Citizens Academy, Retail Theft program, and National Night Out. Officer Bell also organized the Halloween Stop and Treat, Tip a Cop, and the Lacey Police Department's participation in the Special Olympics Torch Run.

Also in 2013, Officer Sean Bell was awarded Crime Prevention Officer of the Year for Washington State. Congratulations Officer Bell!

## **Detectives**

The Detective Unit investigates major crimes, special victim crimes, financial crimes or crimes which require a degree of specialization or a centralized investigative approach. Their objective is to aggressively and proactively identify and investigate criminal activity so that crimes are solved and offenders are held accountable.

In 2013 the unit was comprised of four detectives, one Police Service Specialist, one Lieutenant, and a Senior Patrol volunteer. The team is often called upon to assist with complex crimes and follow up on felony investigations. They also act as a liaison with the Thurston County Courts, Crime Stoppers, and other law enforcement investigative units.

# DIVISIONS

## Evidence

The Evidence Unit is comprised of one full time technician and one back-up technician. In 2013, the evidence unit logged and released thousands of items. When items are “released” they are returned to the owner, destroyed, or auctioned. In 2013, the prescription drop box took in 2,418 pounds of medication. Also, 77 bicycles were donated to Vet Bikes and sent to kids in Africa. Without the bikes, the disabled veterans and kids would have a harder time getting around.

## K-9

The K-9 Unit is comprised of Officer Chris Wenschhof and Brek. Brek is the department’s third police service dog since the K-9 Unit’s inception in 1993.

After 8 years, Brek retired on March 17, 2013. Officer Wenschhof and Brek made a great team and over the years were called out numerous times and had many successful apprehensions. Brek was a great addition to the police department.

## Records

The records team is comprised of the Customer Service Supervisor and five Police Assistants. They are the first point of contact in the Lacey Police Department business office and are responsible for records maintenance, data entry, processing warrants and court orders, fingerprint and notary services, and all front desk and phone customer service.

In 2013, with the implementation of the new records management system, the records department went to predominately paperless records. In addition to that huge change they also completed 2,381 public disclosure requests, 1,235 fingerprints, issued 988 concealed pistol licenses, processed 596 gun transfers, and transcribed 279 taped statements. They not only assist citizens, but also serve as support staff for police officers, administrative staff, detectives, crime prevention, and the Lacey City Attorney.

In addition to proactively patrolling the schools, the School Resource Officers provide counseling, education and demonstrations on personal safety, traffic safety and law and justice. For many of the students, these officers are the first contact they have with law enforcement and the positive presence the officers provide can leave a lasting impression.

## **Traffic**

In an effort to improve traffic safety, the two officers in the Traffic Unit provide enforcement of state traffic laws within the Lacey City Limits. They are the Lacey Police Department's experts in major collision investigation and regularly participate in seat belt, DUI, and aggressive driving enforcement programs.
