Samra,

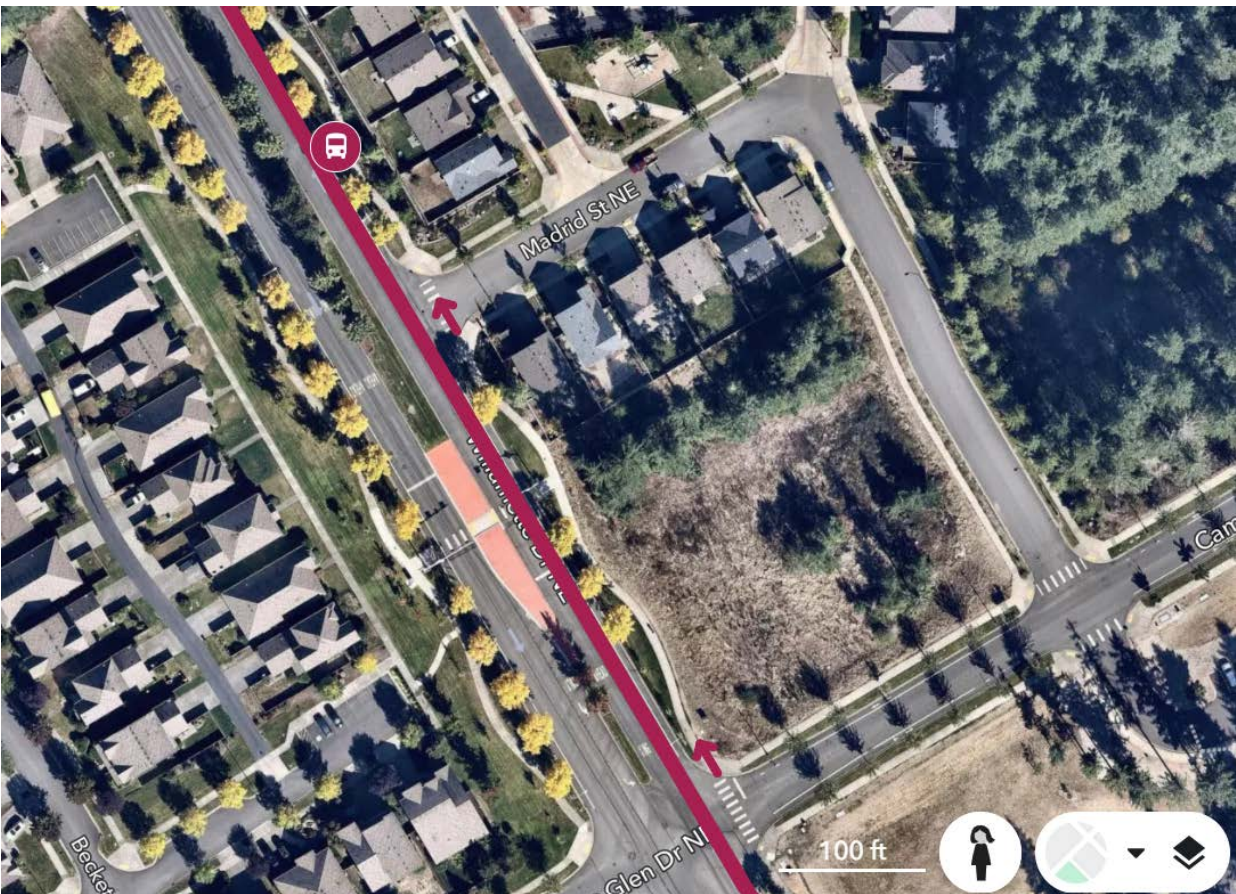

My colleagues and I reviewed the Meridian Campus Chevron project this morning.

Intercity Transit doesn't request any bus-related infrastructure along the property's frontage, as we installed a northbound Willamette Drive bus stop adjacent to this site in early 2020 when we launched our Rt. 65 service in Hawks Prairie (image below).

The developer should make note of this transit infrastructure in 14b of its SEPA checklist (screenshot below).

Thanks for the opportunity to review the project.

Mike Burnham, IT

14. Transportation [\[help\]](#)

- a. Identify public streets and highways serving the site or affected geographic area and describe proposed access to the existing street system. Show on site plans, if any. [\[help\]](#)

The site is off of NE corner of Willamette Dr NE and access off of Campus Glen Dr NE at

- b. Is the site or affected geographic area currently served by public transit? If so, generally describe. If not, what is the approximate distance to the nearest transit stop? [\[help\]](#)

- c. How many additional parking spaces would the completed project or non-project proposal have? How many would the project or proposal eliminate? [\[help\]](#)
