

PUBLIC ART PLAN

Pole Banner Project

Public Art Plan

Policy 10.03

Objectives:

- Define City boundaries or entryways into the community
- Create a sense of community, identity, and character
- Reflect Lacey's history, heritage, community values and culture
- Provide interactive opportunities for the general public
- Provide a pleasing living, working, and playing environment
- Enhance economic development and attract visitors
- Provide sustainable maintenance and operation costs
- Create opportunities for civic engagement
- Evoke a sense of fun

Public Art Plan

Policy 10.03

Themes:

- The natural beauty of the City as reflected in its trees and lakes
- A history of our community as reflected in historic buildings, founding families, and events of historical significance
- The importance of family and youth in our community
- Northwest artifacts, symbols and signs, including Native American Art, salmon, orcas, fishing, and timber
- Historic reproduction lighting, ornamental poles, landscape furnishings, entry signs, park signs, clocks, bell towers, and fountains
- The rich diversity of the community
- Exceptional military service or the community's military connection
