- 2.3. Upon the written authorization from an employee within the bargaining unit, the Employer shall deduct from the pay of such employee the monthly amount of dues as certified by the secretary of the Guild and shall transmit the same to treasurer of the Guild. The employer will provide the union as the exclusive bargaining representative with any new member information as listed within RCW 41.56 if requested.

- 2.5 The parties recognize that the Guild may impose service charges to the extent permitted by law upon non-members. Such service charges may create liens upon back wages that might otherwise be owing to such employees as a result of a grievance back pay award, and such service charge liens will be executed preceding any back-pay distribution to the employees. Should such a situation occur, any such legally allowed actions regarding non-payment of dues that may be taken will be done by the Guild. The Employer would execute any such legal award as required by and enforceable in a court of law upon receipt of such legal court document of notification to this effect. Grievance issues abandoned due to the refusal of a non-member to pay applicable service charges shall not be precedential upon the parties.
- 2.6 Hold Harmless. The Guild shall indemnify, defend and hold the Employer harmless against any claims made and against any suit instituted against the Employer on account of any dues for deduction for the Guild. - 10.2. Not more than three (3) members of the Guild's negotiating team shall be permitted to attend negotiation meetings with City representatives without loss of pay to the extent that such meetings are scheduled during the working hours of the members so attending. The parties agree to schedule negotiation sessions at a time which attempts to minimize the disruption to members. If a negotiation session is scheduled on the same day as an employee is scheduled to work, flex time is allowed by mutual agreement between LPOG and the City. No employee of the LPOG negotiation team shall be paid overtime or provided vacation time for time spent in negotiations.
- 10.3. Designated members of the Guild shall be granted release time for all meetings between the City and the Guild, when such meetings take place at a time during which such members are scheduled to be on duty. The City shall allow a Guild representative a reasonable amount of time while on duty to initially investigate a grievance; provided, the shift supervisor must authorize the time and such time taken shall not interfere with the operation of the Police Department. Extended investigations shall be conducted off duty.
- 10.4. For the purposes of improving communications, and collaborative problem-solving, the Employer and the Guild may meet from time to time in a labor-management forum. The City agrees to authorize release time for the Guild President and up to three (3) Guild representatives to attend such meetings, when such meetings take place at a time during which such members are scheduled to be on duty. No employee of the LPOG labor-management team shall be paid overtime or receive vacation time for time spent in such meetings. When members are attending labor-management meetings, they are included in the shift minimum staffing count.
- 10.5. It is understood that the cost to the Employer of any such leave from duty as set forth herein, shall not result in a cost to the Employer materially greater than had the employee not taken such leave. It is also understood that said attendance shall not substantially impair the ability of the Department to protect the safety of the public.

Floating holidays must be taken in the year accrued. A Floating Holiday for employees assigned the patrol schedule is equal 10.7 hours. For employees not on the patrol schedule, a floating holiday is equal to the hours of their assigned workday based on their workweek schedule, i.e. 5/8's or 4/10's.
- 11.3. Employees assigned to Patrol who are scheduled to work on a holiday shall, in addition to regular pay for the hours worked on the holiday, receive either: (1) one and one-half (1½) hours off for each hour worked on the holiday in lieu of the paid holiday which shall be added to their alternate holiday bank ; or, (2) one and one-half (1½) times their regular hourly rate of pay for each hour worked on the holiday in lieu of the holiday (this must be requested within the same pay period the holiday occurs). These employees who voluntarily submitted the 30-day advanced written notice of their intent to work on the holiday shall receive holiday pay at a rate of straight-time for all of the hours worked during the employee’s holiday. Or, with supervisory approval, these employees who voluntarily work a holiday may receive one other day off in lieu of the holiday which must be taken within the pay period the holiday occurs.

ARTICLE 12 - VACATION

However, nothing shall prohibit an employee from taking leave at any time for hours accrued as a result of working any holiday, after completing the field training (FTO) program.
- 12.3. Vacations shall be scheduled by seniority (last date of hire), by division, in accordance with established departmental procedures and minimum staffing guidelines. - 12.6. An employee may carry a maximum 306 hours of unused vacation time during the year when the employee has been prevented from using said vacation time by reasons of injury, illness, or Department work schedule; but the maximum days carried to the next succeeding year shall be two hundred and eighty (280) hours (regardless of work schedule); provided these restrictions shall not be used to force the taking of fewer than five (5) successive days of vacation.
- 12.7. It is the intent of this Agreement to allow an employee to use accrued vacation time in cases of emergency such as serious illness or serious injury in the immediate family. Provided, if an employee is receiving Employer provided disability, time loss, or other employer compensation for an on-the-job injury, only that portion of vacation which, together with disability and/or time loss compensation, will equal the employee's regular salary will be allowed; unless vacation leave had been previously scheduled and approved prior to the date of injury.

ARTICLE 13 - SICK LEAVE

- 13.1. **Regular Full-Time, Non-Exempt Employees:** Employees in regular full-time positions shall accrue eight hours of sick leave each monthly pay period which may be used for any reason permitted under State sick leave law.

Effect of Unpaid Leave. Employees on unpaid leave for periods exceeding fifteen (15) working days will have sick leave accrual reduced for the calendar month on a pro-rata basis for the percentage of time off in an unpaid status.

Coordination with Workers' Compensation. Sick leave benefits may not be used for any absences when the employee is entitled to receive benefits under the Workers' Compensation Act, except that sick leave may be utilized to make up the difference between the Workers' Compensation payment and the employee's monthly salary. Until the Department of Labor and Industries (L&I) has made a determination on the employee's eligibility for Workers' Compensation benefits, the City may grant full sick leave benefits, if accrued. If, as a result, the employee receives compensation in excess of the employee's monthly compensation, the employee will submit the workers' compensation payment to the City within five days of receipt of payment from L & I and their sick leave balance will be credited for an amount equivalent to the dollar value. Guild reserves its right to address its issue through the judicial process.

- 13.2. **Sick Leave Request.** A request to use sick leave must be made to the employee's supervisor or designee. If the leave is foreseeable, then the employee should provide 10 calendar days' notice or as soon as is reasonably foreseeable. If the leave is not foreseeable, then the employee shall provide notice as early as practicable. The employee may designate another person to provide notification. Employees are not required to provide any details concerning the specific nature of the health condition in order to use sick leave, unless otherwise required by law. Any information provided to the City will be kept confidential. If the employee is using leave for an absence that qualifies under the domestic violence leave act, RCW 49.76, per WAC 296-135-060 the employee or his or her designee must give oral or written notice to the employer no later than the end of the first day that the employee takes such leave.

- 13.3. **State and/or Federal Leave Provisions:** The City will provide state and/or federal leave in compliance with state and federal law, e.g. Federal Family Medical Leave Act, Washington State Family Care Act, Washington State Family Leave Act, Washington State Human Rights Commission laws on Sex Discrimination, Washington State's Family Military Leave Act, and Washington State's Leave for Victims of Sexual Assault, Stalking and Domestic Violence and Their Family Members. Where the employee has paid sick leave benefits during a state and/or federal qualified leave, such leave time will run concurrently

with state and/or federal family leave provisions. For qualified leave, employees are required to apply for the leave in accordance with applicable provisions and provide a physician's certification which documents the need for and the duration of the leave (forms to be provided by the City). As allowed per state and federal law, the City may request an objective medical examination to verify the need for the leave. Guild reserves its right to address its issue through the judicial process.

- 13.4. **Retirement Sick Leave Buy-Back:** To be eligible for the buy-back program, an employee must be retiring from the Lacey Police Department and qualify for LEOFF retirement or LEOFF Disability retirement. The Employer will buy back unused sick leave up to a maximum of 1,000 hours at the rate of 25% per hour for 150 through 300 hours, and 33.3% for 301 through 1,000 hours. Eligible employees retiring from the Lacey Police Department that provide formal retirement notice in writing to the Chief of Police with a minimum of 120 days notice will qualify to have 901-1000 hours of their unused sick leave bought back at a rate of 40%. The employee's beneficiary will receive this benefit at the time of the employee's death.

ARTICLE 14 - BEREAVEMENT LEAVE

- 14.1. A full-time employee may request and shall be granted up to five (5) work days bereavement leave in the event of a death in the immediate family. Immediate family shall be defined as a spouse/domestic partner, child, stepchild, parents, parents-in-law, step parents, siblings, siblings-in-law, son/daughter-in-law, grandchildren and grandparents of both the employee and the employee's spouse, aunts and uncles. Bereavement leave taken in accordance with this paragraph shall not be charged against the accrued sick leave, vacation, or compensatory time of the employee.
- 14.2. With approval of the Chief of Police, the employee may take up to one-half (½) day of sick leave to attend funeral services of a close friend or a relative not included above.

ARTICLE 15 – MILITARY LEAVE

- 15.1. Employees who fall within the criteria stated in RCW 38.40.060 shall be allowed Military Leave per City of Lacey policy.

ARTICLE 16 – PENSIONS

- 16.1. Washington State Department of Retirement Systems (DRS) pensions for employees and contributions to these pension funds will be governed by the Washington State statute in existence at any given time during the term of this Agreement.

ARTICLE 17 - BENEFITS

17.1. **Health Insurance.** The Employer's health insurance benefits will include medical, dental, and vision plans. Medical coverage may be selected from Regence High Deductible Health Plan, or Kaiser High Deductible Health Plan, or the Regence HealthFirst 250 Deductible Plan, or the Kaiser Permanente 200 Deductible Plan.

Dental coverage may be selected from either Washington Dental Service (WDS) Plan F or Willamette Dental.

The vision plan provided is Vision Services Plan (VSP) \$10 co-pay.

17.1.1 **Voluntary Employees' Beneficiary Association (VEBA).** The City will establish a Health Reimbursement Arrangement account, Voluntary Employees' Beneficiary Association (hereinafter VEBA) plan, under Section 501 (c) (9) of the Internal Revenue Code for each employee who is eligible for the Regence High Deductible Health Plan or the Kaiser High Deductible Health Plan as described in 17.2. The City will contribute to an employee VEBA for 2024, 2025, and 2026 in the following amounts:

- * \$1,750 for employees only
- * \$3,250 for employee and additional dependents

Additionally, the City will fund a notional HRA account for employees who are covered on the Regence High Deductible Health Plan or the Kaiser High Deductible Health Plan(s) only up to the following amount each year of the contract to cover out of pocket expense under the HDHP. These funds are available after an employee reached the deductible. The HRA funds do not roll over and will revert to the City if unused.

- * \$1,000 for employee only
- * \$2,000 for employee and 1 dependent
- * \$2,500 for employee and 2 dependents
- * \$3,000 for employee and 3 or more dependents

The VEBA contributions will be made for each year of the contract on the first working day in January of each contract year, with the understanding that it may take five (5) to seven (7) working days for the VEBA fund contributions to be loaded into the employee accounts.

17.2. **Health Insurance Premiums.** During the term of this contract, the City agrees to pay 100% of the cost of the medical, dental, and vision premium for each regular full-time and

regular part-time employee. The City will pay 90% of the dependent coverage, with the employee paying 10%.

- 17.2.1 Opt-Out Option.** Employees may elect to opt-out of the medical coverage provided they present documentation of active enrollment on employer-sponsored coverage, excluding the City of Lacey's plans. Employees who do so will receive \$250 per month, which is included in the regular rate of pay and taxes under applicable IRS rules. Provided that at no time the number of LPOG employees electing to opt-out will exceed their percentage representation within the total employee census. This clause is to ensure that the City's standing in the AWC Trust is not harmed. Underwriting rules prohibit more than 25% of the City's employees from opting out of medical coverage. If the number of employees reaches the maximum, no new LPOG employees will be allowed to elect the opt-out option until the number of participating LPOG employees is below the maximum pro-rated amount. A waiting list will be created and as the number of employees drops below the maximum pro-rate amount, the employee will be contacted base on their position on the waiting list. Placement on the waiting list will be on a first come, first served basis.
- 17.2.2 Health Insurance Benefits Effective Date of Coverage.** Health insurance benefits, including the City's first full month's contributions towards premiums, will be effective the first of the month following the date of hire.
- 17.3. Long Term Disability Coverage.** The Employer agrees to provide group disability insurance for each employee covered by LEOFF II. All LEOFF II employees must be covered by the same policy.
- 17.4. Life Insurance.** For 2024 the city will continue to provide each employee with life insurance in the amount of fifty thousand dollars (\$50,000). The Employer agrees to provide each employee with life insurance in the amount of fifty thousand dollars (\$50,000), with premiums paid in full by the Employer. Employees will be allowed to purchase additional life insurance at their own expense, through the City provided plan and with medical approval by the life insurance company, for themselves, their spouse/domestic partner, and dependents.
- 17.5. 125 Tax Deductible Spending Plan.** The Employer will implement a qualified 125 Tax Deductible Spending Plan which will be made available on a voluntary basis to employees for as long as such plans are allowed by the federal government. Employees must sign-up annually to participate in this program.
- 17.6. Deferred Compensation.** The City will make available options for employees to participate in a 457 plan. Additionally, the City will make available the 457 Roth contribution options, if it is available through the current providers. Currently the City matches up to 2% in deferred compensation to a 457 deferred compensation plan.

Effective January 1, 2024, the City will match up to 3.0% in deferred compensation to a 457 deferred compensation plan. Contributions made by employees and the City are made based off of base monthly salary and any assigned longevity pay. There is no reduction in wages associated with this addition.

Additionally, the parties recognize that the Officers have opted out of Social Security and that the City had previously extended a supplemental 6.2% into the wage grid. This was extended without any officer matching requirement, which enabled this contribution to count as an element of the officers' "final average salary" for state retirement purposes.

- 17.7. **Paid Family Medical Leave Act (PFML).** Employees are eligible for Paid Family Medical Leave (PFML) Act leave benefits as allowed under RCW 50A.04. Premium share for the Employer and Employees will be in compliance of state law.

ARTICLE 18- INSURANCE

- 18.1. The Employer shall provide liability insurance for all sworn Officers. In addition, the Employer shall pay on behalf of any employee in the bargaining unit any sums, including reasonable legal expenses, which the employee shall be legally obligated to pay as a result of reasonable and lawful activities and exercise of authority within the course and scope of assigned duties and responsibility as a Lacey Police Officer, and which are necessary in order for such Officer to be represented. The Employer agrees to bear the costs of the defense of any criminal charges that may be brought against an employee as a result of reasonable and lawful activities and exercise of authority within the course and scope of assigned duties and responsibilities as a Lacey Police Department employee.

ARTICLE 19 - OFF DUTY EMPLOYMENT

- 19.1. The Employer may authorize an employee to perform other employment during off duty hours provided such employment does not:
- (1) Interfere with the efficiency of law enforcement and public safety;
 - (2) interfere with the employee's performance of duty on his/her regular job;
 - (3) Detract from the image of the Employer; or
 - (4) Conflict with the Employer's policies; and, the results of which will not expose the City to additional costs in wages or benefits.
- 19.2. All outside employment, self-employment, and/or consulting should be declared in writing by an employee to the Chief prior to the start of work. The City of Lacey's Outside Employment/Consultant Services policy shall be followed and provides guidance to create the notification.

- 19.3. The Chief, in consultation with the City Manager, City Attorney, and Director of Human Resources, shall review the nature of the outside work to ensure compliance with the City policy and this agreement. Denial by the Chief of Police must state the reason(s) for such denial in writing.

ARTICLE 20 - GRIEVANCE PROCEDURE

- 20.1. The purpose of this section is to provide for an orderly method for resolving grievances. A determined effort shall be made to settle any such differences at the lowest possible level of the grievance process.
- 20.2. A "grievance" means a claim or dispute by an employee, the Guild or the Employer with respect to the interpretation or application of the provisions of this Agreement. If the Employer files a grievance with the Guild, the parties shall attempt to resolve the dispute within fifteen (15) calendar days. An employee must file a grievance as provided for in steps 1 - 5 below.

Step 1: An employee (with or without their Guild representative), or the Guild, must present a grievance within fifteen (15) calendar days of its alleged occurrence, or when the employee first knew (or should have known) of its occurrence, to the employee's Division Supervisor. The employee's Division Supervisor shall attempt to resolve it, in consultation with their Division Commander, within fifteen (15) calendar days after it is presented. All grievances shall be submitted in writing. The statement of the alleged grievance shall include the following:

1. A statement by the affected employee(s) or the Guild of the alleged grievance and the facts upon which it is based.
2. The specific remedial action requested.
3. The specific provision(s) of this agreement which are alleged to have been violated or misinterpreted.

Step 2: If the employee or the Guild is not satisfied with the resolution provided by the Division Supervisor, the grievance may be presented to the Chief of Police in writing. The statement must be presented within fifteen (15) calendar days from the proposed resolution by the Division Supervisor. The Chief or designee shall attempt to resolve it within fifteen (15) calendar days after it has been presented.

Step 3: If the grievance is not resolved, it shall be submitted to the City Manager, in writing, together with all other pertinent materials, by the employee or a Guild representative within fifteen (15) calendar days of the date of response from the Chief.

The City Manager shall respond to the grievance within fifteen (15) calendar days after it has been presented.

Step 4: If the grievance is not resolved, the City and the Guild may mutually agree to mediation, or if not in agreement, refer the matter to arbitration within fifteen (15) calendar days of the City Manager's decision. If mediation is mutually agreed upon, the mediator and mediation process will be selected by mutual agreement of the parties. If the matter is not resolved, either party the Employer or the Guild may refer the grievance to the arbitration process as provided for in Step 5 within fifteen (15) calendar days of the mediator's declaration of impasse. If the parties bypass mediation, the grievance must be moved to arbitration within fifteen (15) calendar days of the City Manager's decision or it will be deemed forfeit.

Step 5: The parties shall attempt to select a neutral arbitrator. If the parties cannot agree on an arbitrator within five (5) calendar days following submission of the matter to arbitration, they shall jointly request the American Arbitration Association or the Public Employment Relations Commission to provide a panel of seven (7) or more arbitrators from which the parties may select one. If the parties cannot agree whether AAA or PERC shall provide the list, a coin toss shall determine the selection.

The representative of the Employer and the Guild shall alternately eliminate the name of one (1) person on the list until only one name remains. The person whose name was not eliminated shall be the Arbitrator. Arbitrator selection for discipline cases will be in accordance with State law.

It shall be the function of the Arbitrator to hold a hearing at which the parties may submit their cases concerning the grievance. The hearing shall be private and shall include only such parties of interest in the grievance, and designated representatives of the Guild. The Arbitrator shall render their decision based on the interpretation and application of the provisions of the Agreement within thirty (30) calendar days after such hearing. The decision shall be final and binding upon the parties to the grievance, provided the decision does not involve action by the Employer which is beyond its jurisdiction. Each party hereto will pay their own expenses including their attorneys' fees. The expenses of the Arbitrator will be paid by the "losing" party to the award. If the parties cannot agree as to who is the "losing" party, the Arbitrator's choice shall be determinative.

If either party desires a record of the proceedings, it shall solely bear the cost of such record. Nothing herein shall preclude the parties from mutually agreeing to the participation of the partial arbitrators, or from agreeing on an alternate source for a list of arbitrators.

Neither the arbitrator nor any other person or persons involved in the grievance procedure shall have the power to negotiate new agreements or to change any of the present provisions of this Agreement.

At any time parties may agree to skip steps 1-5 and proceed straight to mediation.

- 20.3. **Election of Remedies.** Employees may pursue either the Civil Service Appeal process or the grievance arbitration process but not both. If an employee pursues a discipline appeal to a civil service hearing, their action constitutes an election of remedies, and by doing so, they agree they have waived the right to arbitrate the matter under this contract and vice versa if they file for arbitration.

ARTICLE 21- COMMUNICATION PROCEDURE

- 21.1. This Article creates a communication procedure for the purpose of dealing with matters of general concern to employees of the Department as opposed to grievances or other actions. The utilization of this procedure is intended to attempt first to resolve concerns at the lowest or informal process possible. Either the Guild or the Employer may initiate discussion on subjects of a general nature affecting the employees of the Department. The coordinators of the communications procedure will be the President of the Guild and the Chief of Police or their designees. A meeting of representatives of the Employer and Guild may be requested by either of the coordinators and they shall schedule such a meeting at a mutually agreeable time and place. A proposed agenda shall be prepared jointly by the coordinators and distributed prior to each meeting. If mutually agreed, minutes shall be kept of the meetings and a copy submitted to each of the coordinators. Utilization of this procedure shall not waive any contractual or other rights available to either party if needed.

ARTICLE 22- BILL OF RIGHTS

- 22.1. The members covered by this Agreement do not waive nor will they be deprived of any of their Constitutional or Civil Rights guaranteed by the federal and state Constitutions and laws afforded any citizen of the United States. The Employer shall not discipline or discharge any employee, unless just cause for such discipline exists.
- 22.2. When an employee is asked for a statement involving any type of violation of Department rules, regulations, or laws:
- 22.2.1. The employee shall be advised in writing of the nature of the investigation and whether the employee is a witness or the focus of the investigation.

- 22.2.2. If the employee is the focus of the investigation, forty-eight (48) hours prior to any questioning, the employee shall be furnished with a copy of the complaint and be advised of the name of the complainant and will also be provided with the informational material necessary to apprise him/her of the allegations of such complaint. This informational material shall include: a copy of the investigation form, what reportedly took place, when it happened and where it happened. Witness statements will not be furnished prior to the interview. However, the forty-eight (48) hour notice shall not apply to a superior questioning an employee concerning minor violations which would not result in written discipline being placed in the employee's personnel file. Employees may waive the forty-eight (48) hour requirement in writing. If the complainant filled out the investigation form or submitted a written statement, it will be provided.
- 22.2.3. All interviews shall be limited in scope to activities, circumstances, events, conduct, or actions which pertain to the incident which is the subject of the investigation. Nothing in this section shall prohibit the Employer from questioning the employee about information which is developed during the course of the interview. The questioning (which shall not violate the employee's Constitutional or Civil Rights) shall take place at an agreeable place. With the employee's written permission, a complete copy of the City's official investigatory file will be provided to the employee and/or Guild President, or appointed designee prior to any pre-disciplinary hearing (Loudermill).
- 22.2.4. The employee shall be afforded an opportunity and facilities to contact and consult privately with a person of their own choosing and/or an attorney. The representative and/or attorney may be present during all questioning. This provision shall not result in unreasonable delay and if the representative of the employee's choosing is not available within three (3) days, the employee must choose another representative who is available.
- 22.2.5. Any questioning/interrogation of an employee shall be at a reasonable hour, taking into consideration the nature of the complaint and the mental state of mind of the employee. If practicable, questioning will be conducted while the employee is on duty, unless exigent circumstances dictate otherwise.
- 22.2.6. Definition: "Actor Employee" is defined as the employee(s) whose conduct was actually or conceivably a factor in the injury or fatality.

In the case of an Officer involved shooting or other serious use of force situation, the actor employee shall not be required to make a an official police report regarding the facts and circumstances of the incident for at least forty-eight (48)

hours after the incident. However, immediately following the incident, the employee shall verbally report to a superior a brief summary of the incident, including any information necessary to secure evidence, identify witnesses, or apprehend suspects. The affected employee may choose to waive the forty-eight (48) hour requirement.

The Department will not otherwise question the actor employee regarding the incident but will inform the actor employee that they have the right to be allowed immediate access to any of the following individuals: their spouse/domestic partner, Guild attorney or Guild attorney's agents, their personal attorney, psychologist, psychotherapist, minister, department chaplain, or peer support counselors. The City shall appoint and train peer support counselors to be selected by mutual agreement between the City and Guild. Investigations related to shootings or other use of force involving death will be investigated by the County-wide task force. (Also refer to 21.2.14.)

- 22.2.7. The questioning shall be conducted in a reasonable and professional manner considering the personal necessities of the employee, such as meals, telephone calls, and rest periods.
- 22.2.8. The employee shall not be subject to any offensive language, harassment, intimidation, nor shall the employee be threatened with dismissal, transfer, or other disciplinary action as a guise to attempt to obtain a resignation, nor shall the employee be intimidated in any other manner. No promise of rewards shall be made as an inducement to answer questions. The employee or City may record the investigative interview. There can be no "off the record" questions. If the Employer makes a recording and upon request, the employee under investigation shall be provided an exact copy of any written statement the employee has signed or the transcript of the interview. If the means or format to record or provide copies results in extra costs, the requesting party shall pay the additional expense.
- 22.2.9. It shall be unlawful for any person, firm, corporation of the state of Washington, its political subdivisions, or municipal corporations to require any employee covered by this Agreement to take or be subjected to any lie detector, polygraph, or similar tests as a condition of continued employment.
- 22.2.10. No employee covered by this Agreement will be subjected to any form of harassment or disciplinary action for exercising their Constitutional and/or Civil Rights under this Article. The employee will be required to answer any questions involving non-criminal matters under investigation and will be afforded all rights and privileges to which they is entitled under the laws of the State of Washington

or the United States. Prior to any questioning the employee will be notified in writing in accordance with Lacey Police Department Policy 1010.

22.2.11. If such interrogation, session, hearing, and/or board is taped as a course of policy, the employee will be provided with a copy of the official transcript, if requested.

22.2.12. Internal Investigations will be concluded within 120 days of assigning the IA investigation to the IA investigator. This will be in accordance with LPD policy regarding Internal Investigations. Within a reasonable period after conclusion of the investigation and no later than three (3) business days prior to the pre-disciplinary hearing (Loudermill), the employee shall be advised of the results of the investigation and the recommended disposition (which may be a range of possible dispositions) and shall be provided a copy of the complete investigatory file. If additional time is necessary, the City shall give notice to the Guild of the reason for the delay and the expected completion date.

22.2.13. The following procedure will be employed when a request is made to re-open an investigation concerning an employee that was previously closed.

22.2.13.1. When an internal investigation has been completed, reviewed by command staff, and a disposition determined, that investigation is closed. In the event a new witness or material information is discovered after an internal investigation is closed, the Chief will assign a Commander to conduct an investigative review of the new information to determine the specific content. A written report will then be provided to the Chief of Police which details the specifics of the new information and whether or not its content could change the disposition of the closed investigation.

22.2.13.2. If the Chief believes the information is pertinent to the investigation, and if the disposition could change, the Chief will meet with the affected employee to notify them the investigation is re-opened.

22.2.13.3. If the Chief believes that the new information would not change the disposition, the Chief will meet with the affected employee to notify them of the Commander's review and that the investigation will not be re-opened.

22.2.13.4. In either case, the Commander's written review will be added to the internal investigation file to document their findings.

22.2.14 Use of force investigations involving death or serious bodily injury will be investigated pursuant to state law. If that is not possible (such as an incident

occurring in another county), a Lacey PD Investigator(s) will be assigned to review the on-going investigation, when permitted.

Actor employees involved in this type of use of force will not be required to make any statement for at least forty-eight (48) hours after the incident. However, immediately following the incident, the actor employee shall provide to the on-scene supervisor a brief summary of the incident including information that is essential to protecting the public in accordance with Lacey Police Department Policy 301 and 305.

It is an option for the actor employee to waive the forty-eight (48) hour time period and provide a statement to investigators. Involved employees may provide additional information at any time during the investigation. The overall intent is to ensure investigators have the most accurate information from the involved employee.

Any actor employee who provides a voluntary, compelled, or mirandized statement for the criminal investigation, will generally not be mandated to give testimony to future review boards if the statement answers questions the board may have. Testimony, if required by a future board, will be limited to clarifying issues pertinent to the investigation. The request for clarification may be in writing or in person.

- 22.3. **Personnel Files.** The City Human Resources Department will retain the permanent personnel and medical records file. Requests for review of personnel files shall be made at reasonable intervals only. The Police Department shall maintain only one working file which is typically comprised of documents related to Civil Service and Internal Investigations for each employee. Information related to background checks and/or psychological exams shall be maintained in separate files. The employer shall maintain no private personnel files related to employment, work performance, or discipline not subject to inspection.

Supervisory Notes. This does not preclude a supervisor from maintaining notes regarding an employee's performance for purposes of formulating evaluation and performance appraisal or the department from maintaining separate computerized records relating to training, promotion, assignment, or similar data.

Personnel Records Retention. By law under RCW 43.101.135, personnel records for any peace officer must be retained for the duration of the officer's employment and a minimum of ten (10) years thereafter. Such records include all misconduct and equal employment opportunity complaints, progressive discipline imposed including written reprimands, supervisor coaching, suspensions, involuntary transfers, other disciplinary

appeals and litigation records, and any other records needed to comply with the requirements set forth under the RCW.

Unless required by State law or CJTC disciplinary process, records older than five (5) years that are retained in an employee's department file may not be admissible in any proceedings involving the Employer and Guild concerning disciplinary action unless such records indicate a pattern of similar types of behavior, complaints, and/or discipline. If an employee has a pattern of similar types of behavior, complaints, and/or discipline, the records may be available to be used against the employee for an additional two (2) year period. The parties retain the right to introduce evidence regarding prior discipline of other employees for the purpose of establishing the consistency or non-consistency of discipline imposed in a matter or incident subject to disciplinary appeal.

Further, records older than five (5) years will not be considered for employees applying for a specialty/collateral assignment or promotional opportunity.

Employees may include a rebuttal statement to be included with any disciplinary or evaluation documents placed in their personnel files.

- 22.4. **Searches.** A Department locker/storage space is assigned to an employee. The Employer or any other person shall search such locker/storage space only with the permission of the employee, unless they have reasonable suspicion. No locker/storage space search shall be conducted unless in the presence of a Guild member.
- 22.5. **Off Duty Conduct.** Rules of Conduct which unreasonably attempt to rule or control an employee's private life while off duty are in violation of Constitutional and Civil Rights and not in the best interest of the Department or the employee.
- 22.6. **Medical or Psychological Examination:**
- 22.6.1. The Employer retains the right to require employees to submit to medical or psychological examinations when there exists "Reasonable Suspicion" to believe an employee is unfit for duty.
- 22.6.2. To protect the employee's right to privacy, the medical release form agreed upon by the City and the Guild shall be signed by the employee prior to the evaluation (see attached Appendix titled Medical Release Form).
- 22.6.3. At the request of the examining professional, the employee shall provide relevant medical history which shall be released directly to the examining professional. The City shall pay any expense associated with providing this information.

22.6.4. The examining professional shall issue a written report to the City pursuant to the requirements set forth in the Americans with Disabilities Act (ADA) and the medical release form. The report shall indicate whether the employee is fit or unfit for duty, and in the event an employee is unfit, the expected prognosis and recovery period as well as any accommodations which could be made to allow an employee to return to duty. If the employee disagrees with the outcome of the physician's findings, he or she shall have the right to request the examining professional to clarify the results of the evaluation (in person or in writing).

If the employee still believes that the conclusions of the examining professional are in error, they may obtain an additional examination at their own expense and the Employer's examining professional will provide the report to the employee's examining professional. The City will authorize the Employer's examining professional to answer appropriate questions by the examining professional obtained by the employee.

The City retains the right to request additional medical examinations.

22.6.5. Should an employee grieve a disciplinary or discharge action taken as a result of an examination, the Employer shall allow the release of the employee's current examination upon which the City is relying on for the action, and any past examinations or supporting documents the City has in accordance with federal and state law.

ARTICLE 23- REVIEW BOARDS

23.1. A representative of the Guild, chosen by the Guild, shall be a member of review boards involving members of the Guild, per Department or City policy.

ARTICLE 24- ENTIRE AGREEMENT

24.1. The Agreement expressed herein in writing constitutes the entire agreement between the parties and no oral statement shall add to or supersede any of its provisions.

24.2. The parties acknowledge that each has had the unlimited right and opportunity to make proposals with respect to any matter deemed a proper subject for collective bargaining. The results of this exercise of that right are set forth in this Agreement. Therefore, except as otherwise provided in this Agreement, the Employer and the Guild for the duration of the Agreement, each voluntarily and unqualifiedly agree to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or

matters covered by this Agreement, provided, however, if an issue is mutually agreed upon, the parties to this agreement may amend any article or section herein. This paragraph does not waive the right to bargain over any subject or matter not referred to, or covered by this agreement which is a mandatory subject of bargaining, and which the Employer is considering changing during the term of this Agreement.

ARTICLE 25 - SAVINGS CLAUSE

- 25.1. If any provision of this Agreement shall be held invalid by operation of law or by any tribunal of competent jurisdiction or if compliance or enforcement of any provision should be restrained by such tribunal pending a final determination as to its validity, the remainder of this Agreement shall not be held invalid and will remain in full force and effect.

Intentionally left blank

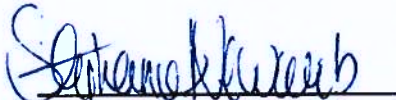

ARTICLE 26- DURATION OF THIS AGREEMENT

This Agreement shall become effective as of January 1, 2024, and shall remain in effect through December 31, 2026. Points of interest not covered by this Agreement may be negotiated at any time during the period of this contract upon mutual agreement of both parties involved. In the event negotiations for a new agreement have not been completed by January 1, 2027, the provisions contained in this Agreement may remain in effect by mutual agreement until the conclusion of the negotiations for a new agreement, or as provided by law.

In the event that the Lacey Police Management Association (LPMA) receives an increase in their benefits and/or number of paid leave hours (as outlined in Articles 8, 9, and 17) that exceeds the benefits and/or number of paid leave hours listed in this collective bargaining agreement, then the Lacey Police Officers' Guild (LPOG) bargaining unit shall also receive the same increase to benefits and/or additional number of paid leave hours.
