BACKGROUND: On September 15, 2022, the Lacey City Council adopted the 2022-2024 Work Plan ("Plan"), available here: <https://cityoflacey.org/wp-content/uploads/sites/3/2022/12/FINAL-City-of-Lacey-Work-Plan-2022-2024-1.pdf>. The Plan identified top priority goal areas and work items for the City of Lacey over the next two and a half years.

The purpose of this staff report and respective Lacey City Council presentation is to provide a high-level overview of progress in 2022 and 2023 on the Work Plan. A Work Plan Progress Report can be accessed online at: <https://cityoflacey.org/mission-vision-priorities/>. In addition, on this webpage, a Work Plan 2022-2024 Dashboard is also available for the Lacey City Council and community members to search through and review. **Figure 1** and **Figure 2** provide examples from the Work Plan 2022-2024 Dashboard.

City staff plans to continue to provide the Lacey City Council with updates on the status and progress of priorities items identified in the Plan.

ADVANTAGES:

1. The Plan provides a multiyear strategic guide (2022-2024) for major City initiatives.
2. Plan updates, including this staff report, presentation to City Council, progress report and dashboard, provide the Lacey City Council and greater community updates on the status and progress of priority items identified in the Plan.

DISADVANTAGES:

1. None identified at this time.
