

NOTICE OF APPLICATION WITH THE OPTIONAL DNS PROCESS

The City of Lacey Department of Community Development has received the following application for Land Clearing and Class IV Forest Practices Permit.

Date Application Received: March 6, 2024

Project Name: 24-0017 32nd Lane Utility Line Improvements

Project Description: Tree removal associated with a sewer line replacement and new water main installation

Project Location: 4501 32nd Ln SE, Assessor's parcel 11829410000, Section 29, Township 18N, Range 1W, W.M. Lacey, Washington

The following studies and/or reports are required as a part of this application:
Forester Report

This Application will undergo the following approval process:

Environmental Review: A review of the submitted Environmental Checklist and other supporting studies will be conducted.

At minimum, this project will be subject to the following regulations:

Title 14 "Building and Construction", Title 15 "Land Division", Title 16 "Zoning", International Building and Fire Codes, City of Lacey Stormwater Design Manual, as well as the Development Guidelines and Public Works Standards.

On March 19, 2024 this application was deemed complete pursuant to RCW 36.70B.070. This determination of completeness means that the application is sufficient for continued review. This determination does not preclude the City of Lacey or other reviewing agencies from requesting additional information or studies either at the time of this notice or subsequently, if new information is required or if substantial changes in the proposal occur.

Pursuant to WAC 197-11-355, the City of Lacey is using the Optional DNS process. The Optional Process enables the comment periods for the environmental review and notice of application to be integrated. The City of Lacey expects to issue a Determination of Nonsignificance for this project. This commenting period may be your only opportunity to

comment on the environmental impacts of the proposal. Copies of the environmental checklist and supporting materials may be reviewed at Lacey City Hall.

Anyone may review any document submitted as part of this project application and may comment on this proposal. No action will be taken on this application for 14 days from the date of this notice or before April 5, 2024

If you would like to make written comments, these may be directed to Samra Seymour, Senior Planner in the Department of Community Development at the address below. If a public hearing is required as part of the application review process, any member of the public may request to be notified, and may give written or oral comment on the proposal to the Hearings Examiner, and may request a copy of any decisions made on the project. A request for advance notification should be made to the Department of Community Development.

NOTE: Pursuant to RCW 43.21C.075 and Lacey City Code 14.24.170(A), a project denial based upon environmental information, and a conditioned or mitigated Determination of Nonsignificance (DNS) may be appealed by any agency or aggrieved person. Appeals are filed either with the Community Development Department when there is also an underlying governmental action or with the City Council if there is no underlying governmental action. Appeals to the City Council must be filed within ten (10) days of the issuance of the written decision (refer to the Lacey City Code for time periods on appeals filed with the Community Development Department).
