

High Efficiency Washing Machine Rebate Application

If you are a City of Lacey Water Customer on **SEPTIC** and are purchasing a high-efficiency clothes washing machine, you may be eligible for a \$50 rebate.

Qualifying washing machines must be **ENERGY STAR** certified. Visit www.energystar.gov/products to search for eligible machines or call Water Resources at 360-491-5600.

To apply for the rebate, submit the following:

- Completed and signed rebate application.
- Copy of your current City of Lacey utility bill.
- Copy of dated sales receipt including store name, brand, model number, and cost.

Mail to: City of Lacey Water Resources
420 College St SE
Lacey, WA 98503

Email to: WaterResources@cityoflacey.org

Or bring in to: Lacey City Hall, Public Works
420 College St SE
Monday-Friday 9am-5pm

Terms and Conditions

Limit one clothes washer rebate per household. Applications must be submitted within six months of purchase. Installation address must be served by the City of Lacey Water Utility and utilize a septic system. City of Lacey has the right to inspect the installation upon request. Allow 30 days for rebate processing.

Acceptance of Terms and Conditions

I have read, understand, and agree to the terms and conditions of the rebate offer. I certify that the clothes washer described above has been purchased and installed at the location indicated. I agree to allow City of Lacey to inspect the installation upon request and I understand that my refusal to allow said inspection will require repayment of any rebate received.
