PLEASE KEEP YOUR DOG ON A LEASH WHEN VISITING OUR PARKS

Lacey has over 1,200 acres of parkland and open spaces — plenty for all to enjoy!

For the safety of all park users, all dogs must be on a leash in City of Lacey parks, even if you don't see other park visitors. Here are a few reasons why:

- Dogs can get spooked and run away, creating a potentially dangerous situation for them.
- People and/or other dogs get scared of dogs.
- Park visitors may want to enjoy the park without having to deal with your dog.
- Dogs can be unpredictable in unknown situations.
- Park visitors who want to meet your dog will have a proper opportunity to do so, without any surprises.

REMINDER: Always pick up your dog's poop. ***"Bag it and trash it every time"*** *is the only safe way to dispose of your dog's waste.*

If you encounter a dog off-leash in a park or if you experience an issue or attack, please contact Joint Animals Services at **(360) 352-2510** or **Shelter@JointAnimalServices.org** for assistance.

CHECK OUT THE THURSTON COUNTY OFF-LEASH DOG PARK!

The Thurston County Off-Leash Dog Park includes a special area for small dogs, water stations, a sand and gravel area for digging, paths, and fencing.

You can take your dog to the off-leash park from 7 a.m. to dusk, seven days a week. For more information, visit **ThurstonCountywa.gov/Departments/Public-Works/Parks-Trails** or scan the QR code.
