**Subject:** RE: Safe Walk to School - Canfield Apartments

You don't often get email from mpayne2@nthurston.k12.wa.us. [Learn why this is important](#)

Good morning,

The additional development at 5118 15<sup>th</sup> Ave NE would also qualify for bussing services with the current walk zones for all three grade levels. They would share a stop with the first development as we cannot make an additional bus stop immediately after departing the first. Please let me know if you have any further questions or concerns.

Thank you,

Mark Payne

Hi Mark,

You reviewed and responded in the attached email correspondence for an apartment development along 15<sup>th</sup> Ave NE in regards to a bus stop for the school serving the site. We are now working with the developer on a separate apartment development immediately west (located at 5118 15<sup>th</sup> Ave NE), which will include up to 72 apartment units (see vicinity map below). Can you please confirm proposed bus stop locations.

Thank you and please let me know if you have any further questions.
