Subject: Project #25-0103: Wiseman Wetland Development Permit

Good Morning,

Below is a link to the Wetland Development Permit application and supporting materials for project #25-0103 – Wiseman Property located at 6613 – 33rd Avenue SE

Kevin Wiseman is proposing a 1,673 sf single-story, single-family residence outside of the wetland, but within the 100-foot wetland buffer. **Please provide any comments by June 10th** and let me know if you have questions or problems accessing the documents.
